EXPERIENCE

GRAPHIC DESIGNER

Corner Table Creative, Freelance, 12/2025-Pres

Designed multi-platform social media assets and Meta ads for clients including Starbucks, Sweetgreen, and Goddard School. Developed eye-catching reels and motion graphics using After Effects and Photoshop to drive audience engagement. Produced scalable design assets in Adobe Illustrator, ensuring all deliverables were optimized for specific campaign formats and technical requirements.

Kinship Coffee, Freelance, 11/2025-Pres

Designed visually compelling website banners and subscription-launch assets in Adobe Illustrator for Kinship Coffee. Brought digital touchpoints to life by animating banners and subscription page elements in Adobe After Effects.

GRAPHIC DESIGN INTERN

H15DEN, 08/2025-10/2025

Contributed to building the brand's assets as a Graphic Design Intern, utilizing Adobe Illustrator and Photoshop. Assets created included an email signature, LinkedIn posts, online banners, and the brand's character. Designed and executed animations for the app and email signature using Adobe After Effects. Created various facial expression animations for the company's mascot robot. Managed the overall flow of the app's prototype on Figma and successfully contributed to the app's beta version release.

SJYUN

I'm a NYC-based graphic designer who loves making honest, expressive work. I'm super collaborative and always curious—I'm down to keep reworking an idea until it finally clicks. For me, it's all about creating visuals that actually connect with people and bring a bit of personality into the world.
